

To be read in conjunction with the NALC & SLCC *National Agreement on Salaries and Conditions of Service of Local Council Clerks in England and Wales 2004 & 2016 – 2018 National Salary Award.*

1. The National Association of Local Councils [NALC] and the Society of Local Council Clerks [SLCC] advise local councils that they have jointly agreed the appropriate salary ranges and core terms and conditions for all Officers of the Parish Council.
2. When appointing a Clerk, the Council is choosing the holder of a responsible public position who will have the qualities, including: competence, initiative, energy and imagination, necessary to administer properly the Council's affairs and to carry out the tasks associated with the wider role of the Council as a representative and ambassador.
3. The Council should act as a responsible employer in the recruitment, employment and management of its staff and make use of good employment practice in conducting its relations with its staff.
4. The final decision on salary has to be agreed between the council and the officer at appointment, but the National Agreement between NALC and SLCC provides a reasonable salary and terms and conditions standard for clerks.

Salaries

5. NALC and SLCC strongly advise that the starting salary of a Clerk to the Council should, as a minimum, be paid in accordance with the ranges set out below.
6. Salary is calculated by reference to the numbered positions on the spinal column points [SCP] chart issued annually by NALC and the SLCC. The spinal column points used will be those of the National Joint Council for Local Government Service.

Scale	SCP below substantive range	SCP substantive benchmark range	SCP above substantive range
LC1	15 – 17	18 – 22	23 – 25
LC2	26 – 29	30 – 34	35 – 38
LC3	39 – 42	43 – 47	48 – 51
LC4	52 – 55	56 – 60	61 – 64

Agreeing a Scale

7. The four scales can be profiled as follows:

Scale / Profile	Size	Meetings per year	Delegated Functions	Staff	Budget
LC1 / 275 points	Small or Medium	Up to 6	None	None	< £25,000
LC2 / 313 points	Small or Medium	6 – 12	2	Up to 10	£25,000 - £250,000
LC3 / 451 points	Large Parish or Small Town	12 + 2 committees	3	10 – 20	£250,000 - £750,000
LC4 / 576 points	Large Town	12 + 5 committees	Several	20+	> £750,000

8. Detailed profile benchmark descriptions can be found on pages 5 – 9 of the *National Agreement on Salaries and Conditions of Service of Local Council Clerks in England and Wales 2004*.

9. Pencombe Group PC fits as follows:

Size	Meetings per year	Delegated Functions	Staff	Budget
Small (as at 01/04/2016 351 residents - Pencombe 252, Little Cowarne 99)	10 – 12	Responsible Financial Officer	None	< £25,000

10. The following factors should also be considered:

- a. Experience and expertise
- b. Qualification – professional development through a recognised institution or programme should be rewarded by a salary movement of one upward point on the spinal column in respect of each level attained.

11. Having established the benchmark salary for the post, the Council will EITHER:

- a. Adopt a salary scale within the range. The salary will rise annually, by automatic increase on the 1st April each year, by incremental steps, to the scale maximum.

OR

- b. Adopt a single salary point (a 'spot salary') within the range. Where a single salary point is adopted the Council should review the salary annually.

Working Time

12. The Council will determine the hours to be worked and must ensure that the working week is sufficient to meet the demands of the Council's work

13. Part-time officers are remunerated *pro rata* at an hourly rate derived from the salary for a full-time post. The hourly rate is calculated by dividing the annual full-time salary, including any additions or allowances, by 52 weeks, to produce a weekly figure, and to divide that figure by 37, being the standard number of hours work by a full-time officer.

14. Under employment legislation any part-time member of staff must be offered the same terms and conditions as a full-time worker.

Pensions

15. To be included in the statutory workplace pension scheme (automatic enrolment) the following criteria must be met:

- a. Classed as a 'worker', i.e. have a contract of employment and are paid a salary;
- b. Aged between 22 and the State Pension age;
- c. Earn at least £10,000 per year (£490 per month / £113 per week);
- d. Usually work in the UK.

Annual Allowance

16. The clerk should receive an annual sum to take into account the use of space, lighting, heating and electricity due to working from home.

17. This is usually £100 per annum.

ACTIONS

A. Identify the benchmark description which most nearly fits the Parish/post (see 7, 8, 9 above).

KH: Pencombe Group PC fits into either LC1 or LC2.

B. Evaluate any factors which take the post above or below the benchmark (see 9, 10 above).

C. Add any increments for educational achievement (see 10b above).

KH: No qualifications are held at present but this is something which I would like to consider for the future.

D. Establish a salary range or spot salary (see 11 above).

KH: Based on the benchmark descriptions and substantive ranges provided my view would be that Pencombe Group PC is either an LC1 substantive benchmark or above substantive range, due to the number of meetings held, or an LC2 below substantive as there are no staff and the budget is smaller. Once this has been agreed there are two options here:

1. *Adopt a salary scale within the range, which would rise annually on 1st April until the scale maximum is reached, e.g.*
 - a. *LC1 Benchmark range 18 – 22 or Above substantive range 23 - 25*
 - b. *LC2 Below substantive range 26 – 29*

OR

2. *Adopt a single salary point, ensuring there is an annual review, e.g.*
 - a. *LC1 Benchmark range 22 or Above substantive range 23*
 - b. *LC2 Below substantive range 26*

My recommendation would be to adopt a single salary point with an annual review. This would make the salary point relevant to the post, but the annual review could then take any of the additional factors, e.g. qualifications, into consideration.

E. Agree the working time for the post (see 12 above).

KH: The hours currently recorded in the contract of employment are 2 ¼ hours. Herefordshire Association of Local Councils [HALC] state that it is a minimum of 5 hours per week without a website and minimum 7 hours per week with a website. From my experience to date I am easily doing 7 hours per week.

F. Calculate the annual salary, based on the NJC pay scales (see 2016 – 2018 National Salary Award).

KH: Based on my assumptions above the following salaries would be payable:

Scale	SCP	Full-time salary	Hourly rate	Annual salary cost * at 7 hours per week
LC1	15	£17,072.00	£8.873	£3,229.77
	16	£17,419.00	£9.054	£3,295.66
	17	£17,772.00	£9.237	£3,362.27
	18	£18,070.00	£9.392	£3,418.69
	19	£18,746.00	£9.743	£3,546.45
	20	£19,430.00	£10.099	£3,676.04
	21	£20,138.00	£10.467	£3,809.99
	22	£20,661.00	£10.739	£3,909.00
	23	£21,268.00	£11.054	£4,023.66
	24	£21,962.00	£11.415	£4,155.06
LC2	25	£22,658.00	£11.777	£4,286.83
	26	£23,398.00	£12.161	£4,426.60
	27	£24,174.00	£12.564	£4,573.30
	28	£24,964.00	£12.975	£4,722.92
	29	£25,951.00	£13.488	£4,909.65
	30	£26,822.00	£13.941	£5,074.43
	31	£27,668.00	£14.380	£5,234.49
	32	£28,485.00	£14.805	£5,389.05
	33	£29,323.00	£15.241	£5,547.59
	34	£30,153.00	£15.672	£5,704.62
	35	£30,785.00	£16.001	£5,824.19
	36	£31,601.00	£16.425	£5,978.57
	37	£32,486.00	£16.885	£6,146.00
	38	£33,437.00	£17.379	£6,325.92

The alternative proposal would be to continue paying £1000 per annum and to calculate the number of hours based on minimum wage requirements (£7.50 per hour). This would allow 2 ½ hours per week to be completed at £7.69 per hour but would severely restrict the amount of work which could be done and would impact on the Councils legal obligations being met.

G. Determine whether the salary will require a workplace pension to be paid (see 15 above).

H. Agree on what the annual allowance should be and when this should be paid (see 16,17 above).

National Agreement on Salaries and Conditions of Service of Local Council Clerks in England and Wales 2004

This publication covers the salaries and conditions of service of full-time and part-time Clerks and other officers of Town, Parish and Community Councils (Referred to as Local Councils).

In this Document the National Association of Local Councils and the Society of Local Council Clerks are referred to respectively as NALC and SLCC.

Part 1 of this document covers the national agreement on terms and conditions, Part 2 details the model contract of employment while Part 3 contains guidance on good employment practice and current employment law as it applies to Local Councils

Part 1 The National Agreement

1. NALC and SLCC advise Local Councils that they have jointly agreed the appropriate salary ranges and core terms and conditions for the Officers of Town, Parish and Community Councils. The Terms and Conditions are based on the National Agreement on Pay and Conditions of Service of the National Joint Council for Local Government Services and regularly reviewed and agreed by NALC and SLCC acting together. Councils are strongly recommended to adopt this agreement and to conduct their employment relations in line with the guidance attached.

2. A Council, in appointing the Clerk to the Council, is choosing the holder of a responsible public position who will have the qualities, including: competence, initiative, energy and imagination, necessary to administer properly the Council's affairs and to carry out the tasks associated with the wider role of the Council as a representative and ambassador. The Council should act as a responsible employer in the recruitment, employment and management of its staff and make use of good employment practice in conducting its relations with its staff.
3. The agreement on terms and conditions, the model contract and the guidance on good employment practice all provide a framework for attracting, retaining and motivating the appropriate calibre of staff to work in modern local councils. The final decision on salary has to be agreed between the council and the officer at appointment, but this National Agreement between NALC and SLCC provides a reasonable salary and terms and conditions standard for clerks.
4. Under the Employment Rights Act 1996 the implementation of a new scheme of terms and conditions cannot be implemented to the detriment of the current post holder. In the event that the implementation of this scheme implies a reduction in salary, existing post holders will have protected rights for a period of 5 years. Councils and Clerks should contact their respective County Officer or SLCC advisor for guidance in this event.

SALARIES

5. NALC and SLCC strongly advise that the starting salary of a Clerk to the Council should, as a minimum, be paid in accordance with the ranges set out below. This has been derived from an independent bench marking exercise carried out on behalf of the SLCC and NALC across a sample set of Clerk's positions. The job profiles for the benchmarks are included at the end of this document. Councils and Clerks should establish the appropriate similar job specification taking account of the particular realities of the role in question. On request to NALC & SLCC a specific job evaluation can be carried out to set the salary baseline for any local council. There will be a charge for this service.
6. Salary is calculated by reference to the numbered positions on the spinal column points chart issued annually by NALC and the SLCC. The spinal column points used will be those of the National Joint Council for Local Government Service.

Scale	Points below substantive range	Substantive benchmark range	Points above substantive range
<i>LC1</i>	15-17	18-22	23-25
<i>LC2</i>	26-29	30-34	35-38
<i>LC3</i>	39-42	43-47	48-51
<i>LC4</i>	52-55	56-60	61-64

7. Where the Clerk has exceptional responsibilities which would not be sufficiently remunerated by LC4 upper range it is recommended that a salary is fixed after a formal evaluation and joint consultation with NALC and the SLCC.

8. Having established the benchmark salary for the post, the Council will

EITHER

Adopt a salary scale within the range. The salary will rise annually, by automatic increase on the 1st April each year (or such other date as may be agreed between NALC and SLCC) by incremental steps, to the scale maximum.

OR

Adopt a single salary point (a 'spot salary') within the range. Where a single salary point is adopted, the Council should review the salary annually.

In either case, the starting point or single salary point is to be chosen by reference to the following factors, insofar only as they vary from the description of the benchmark post:

- experience and expertise
- qualification
- whether the clerk is also the responsible Financial Officer
- whether the council has developed increased functions as a result of
 - Quality Council status or Band C/ Best Value applicability
- the extent of functions devolved from principal authority level
- staffing levels

9. Under the National Agreement, professional development through a recognised institution or programme will be rewarded by a salary movement of one upward point on the spinal column in respect of each level attained.
10. Details of the current salary ranges, with benchmark post guidance, and recognition of qualification are published regularly by NALC and the SLCC.
11. Apart from salary the general terms and conditions for clerks follow the principles of proper employment practice and specifically the general agreement by the National Joint Council for Local Government Services. These terms and conditions are expressed in the model contract agreed by NALC and SLCC and the good practice guidance which is attached to this agreement. The model contract and good practice guidance cover such things as pension entitlement, holiday pay, sickness allowance, grievance and disciplinary procedures and other good practice arrangements.

WORKING TIME

12. The standard working week for full-time Clerks to the Council and other Officers is 37 hours. For part-time officers, the Council will determine the hours to be worked and must ensure that the working week, or overall staffing provision, is sufficient to meet the demands of the Council's work. Further advice and information on this is set out in the Guidance Notes.
13. The National Agreement requires that part-time officers are remunerated *pro rata* at an hourly rate derived from the salary for a full-time post described above. The hourly rate is calculated by dividing the annual full-time salary, including any additions or allowances by 52 weeks, to produce a weekly figure, and to divide that figure by 37, being the standard number of hours worked by a full-time officer.
14. Under employment legislation any part-time member of staff must be offered on a *pro rata* basis the same terms and conditions as those of a full-time worker in a comparable post. This includes supervisory enhancements, expenses, overtime/time-in-lieu, leave, pension or gratuity, etc. For a comparable post where there is a sole employee the comparison must be with an employee in the local council sector.
