3. To receive the Chairman's Annual Report:  
The Chairman noted that because of COVID the Parish Council had limited activity. The ditching around the village had been progressed but there was still plenty to be done especially in the more remote areas. It was disappointing that Balfour Beatty had not done this work but the Parish had done the best it could with the resources available. The Chairman thanked the Clerk for the work done during the past years.
  
4. To receive views of local residents on parish matters:  
No views from local residents were received.

Signed..........Chairman
